GOING UP TO THE COUNTRY

As most city dwellers can attest, sometimes it does the soul good to get away to a simpler, more peaceful locale—to ditch the freeway gridlock and an idling engine and navigate the open trail with just one horsepower. For this Playboy Special Collector's Edition, we've done just that. We'll revisit memorable Playmate layouts from the past 35 years, as well as special photo shoots such as *The Girls of Texas* and *Small-Town Girls*—all of which give new meaning to *au naturel*. To start, turn the page and we'll tend to the ranch with international model Olga Michailova. So saddle up, grab a compass and come along as we get back to nature.
